### **Reference**

For trademark information, see 21 CFR Section 201.1 (h)(4): Drugs; name and place of business of manufacturer, packer, or distributor.

For copyright information, see 37 CFR Section 201.20: Methods of affixation and positions of the copyright notice on various types of works.

### **Guidance for determining or changing copyright date**

Generally, copyright date is determined based on Sunovion's best estimate on piece "publication" date. This is the date the piece is distributed to the general public/consumer; typically this occurs when the piece arrives with the wholesaler or fulfillment center.

For existing packaging and labeling components:

*Minor changes:* No change or addition to copyright dates.

*Medium changes* (relevant but not significant changes): Add copyright date to those existing.

*Major changes* (new or significantly different label): Remove copyright date(s) and insert new date.
